INDEPENDENT AUDITOR'S REPORT

To the Kispiox Band Council

Report on the Financial Statements

We have audited the accompanying consolidated statement of financial position of Kispiox Band Council as at March 31, 2015 and the consolidated statements of financial activities, cash flows and changes in net financial liabilities for the year then ended and a summary of significant accounting policies.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted the audit in accordance with Canadian generally accepted auditing standards. These standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures depend on the auditor's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate for the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Band Council as at March 31, 2015 and the results of its operations, cash flows and changes in net financial liabilities for the year then ended in accordance with Canadian public sector accounting standards.

NOTES

MARCH 31, 2015

1. SIGNIFICANT ACCOUNTING POLICIES

a) Fund Accounting

These financial statements have been prepared using the fund accounting method and guidelines issued by Aboriginal Affairs and Northern Development Canada which include compliance with the Canadian public sector accounting standards.

The Band maintains the following funds/entities which are consolidated into the financial statements:

- Operating fund reports the general activities of the Band.
- Capital fund reports the property and equipment of the Band, together with related financing.
- Social housing fund reports the social housing assets, together with related activities.
- Ottawa Trust fund reports the trust funds owned by the Band and held by the federal government.
- Anspayaxw Development Corporation which operates the forestry activities.

b) Property and Equipment

Property and equipment are reported at cost and are amortized using the declining balance method, for non-social housing assets, at the following annual rates:

Buildings	4%
Engineered structures	4%
Equipment	20%

For social housing, amortization on buildings is based on the annual principal reduction of the related mortgages.

c) Recognition of Revenue and Expenditures

Revenue is recorded in the period in which the transactions or events that give rise to the revenue occur. Funding from external parties restricted by agreement or legislation is reported as deferred revenue until used for the purposes specified. Investment revenue is recognized when earned.

Expenditures are accounted for in the period when the goods and services are acquired and the liability is incurred.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

d) Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the amounts reported. Actual results could differ from these estimates.

e) Financial Instruments

The Band measures financial assets and liabilities at market value at the date of acquisition. It is management's opinion that the Band's financial instruments are not exposed to significant interest rate, liquidity, market or other price risks.

f) Inventory

Inventory is valued at cost.

REVIEW ENGAGEMENT REPORT

To the Membership of Kispiox Band Council

We have reviewed the Schedule of Remuneration and Expense - Chief and Councillors of Kispiox Band Council for the year ended March 31, 2015. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Band Council.

A review does not constitute an audit and consequently we do not express an audit opinion on this schedule.

Based on our review, nothing has come to our attention that causes us to believe that this schedule is not, in all material respects, in accordance with Canadian generally accepted accounting principles.
